Gülbahar CEBESoy, *Middle East Technical University, Turkiye*

International Electronic Journal of Environmental Education (IEJEE-Green) is an international refereed academic journal which publishes research papers on all aspects of environmental education. The aim of the journal is to provide a thoughtful forum for environmental researchers, practitioners and scholars to further the study and practice of environmental and sustainability education.

International Electronic Journal of Environmental Education is published two issues per year. IEJEE-Green provides immediate open access to its content on the principle that making research freely available to the public to support a greater global exchange of knowledge.

IEJEE-Green is listed and indexed in: Directory of Open Access Journals (DOAJ), Environment Complete (EBSCO), Google Scholar and Index Copernicus.

Publication of any material submitted by authors does not necessarily mean that the journal, publishers, editors, or any of the editorial board members endorse and suggest the content. Publishing decisions are based and given only on scholarly evaluations. Apart from that, decisions and responsibility for adopting or using partly or in whole any of the methods presented in IEJEE-Green pages solely depends on the readers' own judgment.
